| About the Author | xxiv | | |
| PART 1 WHAT UTILIZATION-FOCUSED EVALUATION IS AND WHY IT MATTERS | 1 | | |
| Chapter 1 The What, Why, How, Who, When, and Where of Utilization-Focused Evaluation | 3 | | |
| What Is Program Evaluation? | 4 | | |
| Utilization-Focused Evaluation | 5 | | |
| What Is Utilization-Focused Evaluation? | 5 | | |
| Why U-FE? | 6 | | |
| How Is U-FE Done? | 6 | | |
| Who Is U-FE for? | 7 | | |
| When Is U-FE Done? | 8 | | |
| Where Is U-FE Done? | 8 | | |
| Questioning as an Inquiry and Design Framework | 9 | | |
| Intended Use by Intended Users | 10 | | |
| Alternatives and Barriers to Utilization-Focused Evaluation | 13 | | |
| Evaluation Use as a Value Proposition | 15 | | |
| Summary and Conclusion | 15 | | |
| Chapter 2 The Essence of Utilization-Focused Evaluation Expressed as Minimum Specifications | 19 | | |
| MIN SPEC 1. Honor the Personal Factor: Identify and Engage Primary Intended Users | 21 | | |
| A Personal-Factor Exemplar: Engaging Educational Leaders in Evaluation | 22 | | |
| MIN SPEC 2. Be Purpose-Driven: Focus on Priority Intended Uses | 23 | | |
| A Purpose-Driven Exemplar: Evaluation for Improvement | 26 | | |
| MIN SPEC 3. Facilitate Process Use: Be Active, Reactive, Interactive, and Adeptive in Engaging Users in All Aspects of the Evaluation | 27 | | |
| The Impacts of Process Use | 32 | | |
| Process Use as Capacity Building | 32 | | |
| Process as Outcome | 33 | | |
| A Process Use Exemplar: Organization-Wide Learning | 33 | | |
| MIN SPEC 4. Take a Full-Journey Stance: Focus on Use From Beginning to the End | 34 | | |
| Readiness | 34 | | |
| Pay Attention Along the Way | 36 | | |
| Endings: Follow Up to Support Utilization | 36 | | |
| Full-Journey Stance Premise | 36 | | |
| Readiness: Baseline Associations With and Perceptions of Evaluation | 37 | | |
| A Full-Journey Stance Exemplar: Developmental Evaluation as Miori | 39 | | |
| MIN SPEC 5. Adapt to Context Changes: When the Context for an Evaluation Changes, the Evaluation May Have to Change | 40 | | |
| A Contextual Adaptation Exemplar: The 2020 Global Health Pandemic | 42 | | |
| Summary and Conclusion | 44 | | |
| Chapter 3 Utilization-Focused Evaluative Thinking | 47 | | |
| How We Make Decisions | 47 | | |
| Evaluation Logic | 49 | | |
| The Logic of Evaluation—With a U-FE Twist | 50 | | |
| Statistical Analysis as Rigorous Thinking | 51 | | |
| Evaluative Thinking as a Form of Reasoned Argument | 54 | | |
| Rigorous Evaluative Thinking | 55 | | |
| Utilization-Focused Evaluative Thinking | 58 | | |
| Intersection of the Personal and Professional | 60 | | |
| Summary and Conclusion | 61 | | |
| Chapter 4 The High Stakes of Evaluation Use, Nonuse, and Misuse | 65 | | |
| Evaluation for Accountability | 65 | | |
| Organizational Culture and Evaluation Use | 66 | | |
| Determining What Works | 67 | | |
| Using Local Evaluations | 68 | | |
| Beyond Good Intentions | 69 | | |
| Politics and Evaluation | 69 | | |
| The High Stakes of Evaluation Use | 71 | | |
| Speak Truth to Power, but What Happens When Those With Power Aren't Listening? | 71 | | |
| The 2020 Global Coronavirus Pandemic: Political Lessons About Evaluation Use | 72 | | |
| Clear and Credible Communications | 73 | | |
| Pandemic Evaluation Contributions When Evaluations Were Used | 75 | | |
| Timeliness of Evaluation Use | 77 | | |
| Evaluation Use in the Information Age | 77 | | |
| Use of Knowledge in Daily Life | 78 | | |
| Summary and Conclusion | 78 | | |

**PART 2 UTILIZATION-FOCUSED
EVALUATION PRINCIPLES**

| | |
|---|-----|
| 83 | |
| Chapter 5 Guide to Utilization-Focused Evaluation Principles 85 | |
| Principles Versus Rules and Recipes | 85 |
| Effectiveness Principles | 86 |
| Utilization-Focused Evaluation Principles | 86 |
| Overarching and Operating Principles | 87 |
| GUIDE Framework for Principles | 88 |
| GUIDE Applied to Utilization-Focused Evaluation | 88 |
| Alignment of Personal and Professional Principles | 90 |
| Principles-Focused Evaluation Applied to Utilization-Focused Evaluation | 90 |
| Summary and Conclusion | 91 |
| Chapter 6 Contextualize: U-FE Operating Principle 1 95 | |
| A Situation Analysis Example | 96 |
| The Situation Analysis Challenge | 98 |
| Force Field Analysis | 100 |
| Additional Factors to Assess | 100 |
| Distinguishing Simple, Complicated and Complex Situations, and Interventions | 102 |
| Simple Evaluation Challenges | 102 |
| Complicated Evaluation Challenges | 103 |
| Complex Evaluation Challenges | 103 |
| Special Contextual Challenges | 107 |
| Summary and Conclusion | 110 |
| Chapter 7 Personalize: U-FE Operating Principle 2 113 | |
| 10 Tips for Identifying Primary Intended Users | 115 |
| Examples of Working With Primary Intended Users | 121 |
| Facilitation Challenges Working With Intended Users | 122 |
| Diversions Away From Primary Intended Users | 122 |
| Summary and Conclusion | 127 |
| Chapter 8 Customize: U-FE Operating Principle 3 129 | |
| Purpose Decisions Connected to Situation Analysis | 130 |
| Intended Uses Menu: Six Alternative Evaluation Purposes | 132 |
| Purpose 1. Judging Overall Merit, Worth, and Significance | 133 |
| Purpose 2. Learning and Improvement | 135 |
| Purpose 3. Accountability | 137 |
| Purpose 4. Monitoring for Internal Management and Oversight. | 140 |
| Purpose 5. Generating Knowledge and Lessons | 142 |
| Purpose 6. Supporting Innovation and Adaptation: Developmental Evaluation | 144 |
| Applying Purpose and Use Distinctions | 146 |
| From Purpose to Data Collection | 148 |
| Examples of How Purpose Affects Use | 150 |
| Making Menu Selections: Connecting Decisions to Uses | 152 |
| Summary and Conclusion | 152 |
| Chapter 9 Align: U-FE Operating Principle 4 155 | |
| Focusing Evaluation Questions | 156 |
| Generate Actionable Questions | 157 |
| Three Lessons to Guide Question Formulation | 159 |
| Three U-FE Question Formulation Challenges | 161 |
| Generate Actionable Questions | 162 |
| Skill in Question Formulation | 162 |
| The Focus in Utilization-Focused Evaluation | 162 |
| Aligning Users' Questions With Design and Methods | 164 |
| Controversy About U-FE Approach to Methods Decision-Making | 164 |
| Principles of Methodological Engagement With Primary Intended Users | 165 |
| Facilitation Challenges In Making Methods Decisions With Primary Intended Users | 168 |
| Finding the Sweet Spot | 168 |
| Involving Intended Users in a Technical Decision | 168 |
| Summary and Conclusion | 169 |
| Chapter 10 Prioritize: U-FE Operating Principle 5 173 | |
| From MIN SPEC to Principle | 173 |
| Preparation and Readiness | 174 |
| Simulate Use of Findings Before Data Collection | 176 |
| An Ancient Practice Example | 177 |
| Fabricating Data for Simulation | 179 |
| Ongoing Attention to Use During Data Collection | 179 |
| Challenges Along the Way | 180 |
| Making Sense of Findings | 181 |
| Four Steps to Generating Useful Findings | 181 |
| Answering the What Question: Utilization-Focused Analysis With Intended Users | 182 |
| Preparing for Analysis | 183 |
| Facilitating Analysis | 185 |
| Facilitating Interpretation | 186 |
| Rendering Judgment | 187 |
| Generating Recommendations | 189 |
| Putting It All Together | 189 |
| Findings From Data Analysis | 190 |
| Interpretation | 190 |
| Judgment | 190 |
| Recommendation Options | 190 |
| Summary and Conclusion | 190 |

| | | | |
|---|------------|--|------------|
| Chapter 11 Engage Users: U-FE Operating Principle 6 | 195 | | |
| Utilization-Focused Evaluation Facilitation | 195 | | |
| Tips for Being Active-Responsive-Interactive-Adaptive Facilitation Tips Summary | 197 | | |
| Regional Economic Development Agency Facilitation Example | 201 | | |
| Regional Economic Development Agency Facilitation Example | 202 | | |
| Facilitation Principles | 204 | | |
| Five Operating Principles for Evaluation Facilitation | 204 | | |
| Principles-Focused Evaluation Example | 209 | | |
| Summary and Conclusion | 210 | | |
| Chapter 12 Strategize Process Use: U-FE Operating Principle 7 | 213 | | |
| Process Use Defined | 214 | | |
| Five Process Use Facilitation Tasks | 215 | | |
| Process Use for Organization-Wide Learning: An Illuminative Example | 220 | | |
| Evaluation Models That Spotlight Process Use | 221 | | |
| Evaluation Approaches That Center on User Engagement | 221 | | |
| Principles for Use in Guiding Collaborative Approaches to Evaluation | 223 | | |
| The Power of Group Processes | 226 | | |
| Changed Evaluator Role: From Independent Judge to Social Change Facilitator | 227 | | |
| Process Use as Intervention-Oriented Evaluation | 227 | | |
| Intervention-Oriented Evaluation | 230 | | |
| Challenges to Process Use | 230 | | |
| Being Thoughtful and Ethical | 231 | | |
| Summary and Conclusion | 232 | | |
| Chapter 13 Adapt: U-FE Operating Principle 8 | 237 | | |
| Focus on Being Adaptive | 237 | | |
| Utilization-Focused Evaluation for Adaptive Management | 238 | | |
| Six Examples of Evaluation Adaptation | 239 | | |
| Adapting to a Critical Community Incident | 239 | | |
| Targeting Disparities | 239 | | |
| Program Participants Change | 240 | | |
| Going to Scale | 240 | | |
| Adapting to Change in Program Resources | 240 | | |
| Adapting to COVID-19 Trauma | 240 | | |
| Evaluator as Adaptive Problem Solver | 240 | | |
| Adapting Evaluation Designs and Implementation | 241 | | |
| Adaptation as Mindset | 242 | | |
| Risk Assessment to Anticipate Adaptation | 242 | | |
| Turbulent Environments and Changing Goals | 243 | | |
| Adaptability as Agility | 244 | | |
| | | Agile Evaluation | 244 |
| | | The Agile Manifesto | 246 |
| | | Creating the Conditions for Evaluation Adaptability | 248 |
| | | Summary and Conclusion | 249 |
| | | Chapter 14 Mobilize Follow-Through: U-FE Operating Principle 9 | 253 |
| | | Utilization-Focused Reporting | 254 |
| | | Fear of Negative Findings | 255 |
| | | Prospect Theory and Evaluation | 256 |
| | | Generating Actionable Recommendations | 257 |
| | | 10 Guidelines for Generating Useful Recommendations | 258 |
| | | Follow-Through: Completing The Endgame | 260 |
| | | Follow-Through as an Evaluation Standard of Excellence | 260 |
| | | Follow-Through in Practice: Endgame Examples | 261 |
| | | The Challenges of Meeting Information Needs and Expectations | 262 |
| | | Example of Follow-Through at an Organizational Level | 263 |
| | | 10 Follow-Through Lessons | 264 |
| | | Summary and Conclusion | 265 |
| | | Chapter 15 Reflect and Learn: U-FE Operating Principle 10 | 269 |
| | | Reflective Practice | 270 |
| | | Single-, Double-, and Triple-Loop Learning | 271 |
| | | Reflexivity | 272 |
| | | How Evaluators Influence Cultural Competence and Responsiveness | 273 |
| | | The Utilization-Focused Evaluator's Role and Values | 274 |
| | | Learning Over Time: Building Momentum for Use Across Evaluations | 276 |
| | | The Utilization-Focused Evaluation Flywheel | 276 |
| | | The Momentum of the Flywheel | 279 |
| | | Forward Motion | 279 |
| | | Summary and Conclusion | 280 |
| | | Chapter 16 Learning Breakthroughs in Applying Utilization-Focused Evaluation Principles | 285 |
| | | Lessons Learned About Utilization-Focused Evaluation Principles | 285 |
| | | From Steps to Principles | 296 |

| | | | |
|--|------------|---|------------|
| Maintain Evaluation Use as the Quintessential Criterion of Evaluation Excellence | 299 | Sustainability | 336 |
| Summary and Conclusion | 300 | Contextualization: Sustainability Situation Analysis Responses to the Climate Emergency | 337 |
| PART 3 NEW, EMERGENT, AND URGENT DIRECTIONS FOR UTILIZATION-FOCUSED EVALUATION | 303 | Sustainability as a Universal Evaluation Criterion U-FE and Sustainability | 338 |
| Chapter 17 The High Stakes of Evaluative Thinking and Reality-Testing | 305 | Equity and Sustainability as Mutually Reinforcing Criteria Facilitating U-FE Consideration of the Criteria of Equity and Sustainability | 339 |
| Evaluation in the Context of a Posttruth World | 305 | Utilization-Focused Evaluation Approach to Facilitating Criteria Priorities | 341 |
| Original High Hopes for Evaluative Thinking Evaluation and Rationality | 307 | Summary and Conclusion | 342 |
| Reality Check: Evaluations Largely Unused | 308 | Chapter 19 Evaluation for Transformation | 345 |
| The High Stakes of Evaluative Thinking | 308 | Transformation Means “No One Left Behind” | 346 |
| Assessing What Is Good | 310 | Transformation, Transformation, Transformation Contextualizing: Situation Analysis | 346 |
| The Banality of Goodness | 310 | Evaluating Transformation | 348 |
| The Banality of Evaluation | 311 | Evaluate Transformation Fidelity | 348 |
| Thoughtlessness in a Posttruth World | 312 | Utilization-Focused Evaluation for Transformation Exemplar | 353 |
| Infodemic | 312 | Principles-Focused Transformation and Evaluation | 355 |
| Thinking Globally | 315 | Systems Thinking Integrated With Evaluative Thinking | 357 |
| Evaluation in the Epoch of the Anthropocene | 315 | The World’s First Blue Marble Evaluation | 357 |
| Toward a Balanced Assessment | 316 | Future Utilization-Focused Directions for Transforming Evaluation to Evaluate Transformation | 358 |
| Blue Marble Evaluation | 317 | Evaluation for a Transformed Future | 359 |
| Thinking Globally | 318 | Syndemic | 360 |
| Summary and Conclusion | 319 | Summary and Conclusion | 360 |
| Chapter 18 Using Evaluation to Contribute to a More Equitable and Sustainable World | 321 | Chapter 20 Utilization-Focused Evaluation for Transformation: Toward a More Thoughtful, Equitable, and Sustainable World | 363 |
| Values and Valuing | 322 | Five Decades of Utilization-Focused Evaluation and Forward Into the Future | 368 |
| Stake’s Position on Evaluators’ Values | 323 | The Evolution of Evaluation Practice | 368 |
| Morality and Ethics of Evaluation | 325 | The Evolution of Utilization-Focused Evaluation | 369 |
| Whom Does an Evaluation—and an Evaluator—Serve? | 325 | Transformation Wisdom | 371 |
| Contributing to Social Betterment as an Intended Use | 326 | References | 373 |
| Serving the Common Good | 327 | Index | 389 |
